THE CHALLENGE

HACG has partnered with **ANYTIME FITNESS** to provide employees with an accessible gym that offers fitness classes, new equipment, and convenient hours. ANYTIME FITNESS will waive the \$100 fee for new members and the \$50 fee for the access key for all HACG employees. Gym membership is \$30/month, but HACG is offering to reimburse your monthly membership just for going to the gym! For every employee that goes to the gym a minimum of THREE times each week, the HACG will reimburse your monthly membership dues. Each employee can potentially join the gym for FREE!
