WHAT IS JOBS PLUS ?

WHO CAN PARTICIPATE?

Any West Haven Apartment resident whose name appears on the lease and is willing and able to work.

3 CORE COMPONENTS

1

Community Supports for Work: Residents helping residents and local community coaches share Jobs Plus information with West Haven residents.

2

Employment Related Services: Partners will provide classes, workshops, trainings, mentoring, computer and soft skills training. Job Developers will build relationships with employers in the community and share information about employment opportunities.

3

Financial Incentives/ Rent Freeze: Residents can earn more money without increasing their rent to assist with upward mobility.
